MESSAGE FROM THE EAST

Brethren,

I'd like to thank everyone who came out to support our 2013 officers at the installation. The program went off without a hitch (yea right!) and fun was had by all.

February is lining up to be a busy one. Don't be surprised if you get a call from one of the officers. We are going to reach out to our widows in the months. Please let us know if you are in need of assistance. We are planning a family fun get together at Jupiter Lanes on February 16.

We will have a lodge work party on the 23rd followed by our 28th anniversary Project Graduation BBQ fundraiser on February 24! We will need lots of help for both. Project Graduation is a program offered by many high schools, in which organized, adult-supervised and alcohol-free activities are offered as part of a post-graduation party, in lieu of student-run events with alcohol or drugs. To date over 800 tickets have already been sold; let me know if you need any more. Our goal is 1,000 meals this year so we could use some "bird flippers" (in the good sense).

Quantum House has requested volunteers for the Honda Classic again this year. They need between 16-18 folks to man tents from Monday February 25- Sunday March 3. See the sign-up sheet in the dining hall or one of your officers for more information.

Fraternally

Bill Hawkins
Worshipful Master

MESSAGE FROM THE WEST

Greeting Brothers,

February is shaping up to be a busy month at the lodge. I'm hoping for a good turnout for the Quantum house at the Honda Classic. The volunteers work at a refreshment booth set up out on the course between greens. There's work for brothers of all ages and physical abilities. Everything from cooking burgers on the grill, putting sandwiches together, working the counter or taking in the money. If we get a group together early enough we can all work together...and believe me brothers getting to work and mess with Bro Jack is more fun than dragging a board!

Our other big project is project graduation. Worshipful Max and Bro George are doing a great job promoting the event. This is my favorite fund raising event of the year. It's got it all, fire, raw meat, the possibility of getting burned, man it's got it all! Given the brothers that are in charge of lighting the fire there's a very good possibility you'll see an explosion followed by a fireball lighting the night sky! The only discourse comes when Worshipfuls Casper, Leoffler and Bro Highland argue about whether or not to use gasoline or diesel to start it. Their theory is that if a cup of gas is enough to start the fire than a quart is better. In the end "peace and harmony" prevail...they each pour a gallon of gas and diesel on the "chicken funeral pyre" and we're off and running! If you come to only one event, this is it! I promise you'll have great time and if you don't Worshipful Jack will wash your car!

Fraternally Yours,

Bro Jim Mullinax, Senior Warden

MESSAGE FROM THE SOUTH

Brethren,

Happy February, brothers! We're off to a good start for 2013. Thank you to those who have supported the cause and make my job a little easier... much appreciated!

For those who attended January's stated communications, I hope you found my Masonic education topics interesting and enlightening. The tenants of brotherly love and obligation are the ties that bind us, and I am becoming all the more aware of that as I serve you in the South.

Please take a look at this month's calendar, and save the dates for February 23rd and 24th. Saturday the 23rd will be our monthly lodge cleanup, with special emphasis on preparing the building for our annual chicken BBQ event on the 24th supporting Jupiter High School's Project Graduation. Please come out one or both days to support a most worthy cause, and one of our flagship events. These are golden opportunities to experience brotherly love and obligation in action! There is a volunteer sign-up sheet for the BBQ on the information wall in the dining hall. Come by and get involved!

Fraternally,

Bro. Don Hires, Junior Warden

CHARITY REPORT

Brethren,

Our charity for February is Shriners Hospital for Children. Shriners hospitals have existed since 1922 with 22 hospitals in North America today. Shriners Hospital of Tampa provides world-class care in treating children with a host of orthopedic and neuromusculoskeletal conditions. The Hospital provides education to physicians and healthcare professionals and conducts research to discover new knowledge that improves the quality of care and life for children and families. Kids up to age 18 are eligible for treatment. Care is provided in a family centered environment, regardless of the family's ability to pay.

Last month's charitable donations for the Bettie Bates Patient Resource center totaled \$562.00. A special thanks to WM. Billy Bates for his generous donation!

Respectfully submitted,
