Greetings from the East!

My Brothers,

Greetings from the East! As the start of a new Masonic year is upon us, I would like to begin by thanking our Junior Past Master, Worshipful Don Hires, for his outstanding leadership during 2015. Under his direction we accomplished many great things, and were able to really make our mark upon the community in some ways that will last far into the future. We participated in the first Cornerstone Laying Ceremony that has been performed in Palm Beach County in many years, adding our mark permanently upon the new wing at The Quantum House, and we have seen the park next door to our Lodge renamed and dedicated to the memory of our dear departed Brother, Officer Bruce St. Laurent who gave his life in the line of duty as an member of the Jupiter Police Department. We also began a new tradition of honoring our Law Enforcement Officers, by giving awards to members of five different police departments – a tradition that we will certainly carry forward in 2016 and for many years to come.

I would also like to express my gratitude to all of the Brothers who have served so faithfully as Officers during 2015, and who will be serving as Lodge Officers this year. It is wonderful to have such a dedicated group of Brothers, who all have such passion for the Craft, and such commitment to helping our Lodge be the best that we can be. It is truly an honor for me to have been elected as your Worshipful Master for 2016, and I pledge to do my very best to carry on the great tradition of leadership that has been so faithfully maintained by all of the great men who have had this privilege before me. I am humbled to be able to count myself among the esteemed Masters of this Lodge, and with such dedicated Officers working with me, I am looking forward to another outstanding year!

Congratulations also to our newest Master Masons: Brothers Montoya, Quick, Stoughton, Soule, Logan, Holdren, Spinetta, Bermudez, and Cox who were raised on December 12, 2015. We hope you will attend as many of our meetings and events as possible, and will avail yourselves fully of your new Masonic home at Jupiter Light Lodge No. 340.

As you all know, many dramatic improvements to our Lodge occurred during 2015, and are still in the process of being completed. Worshipful Don Hires, with the help of our incoming Senior Warden, Jason Silvers, and many others (most notably R:W: William R. Bates, Sr.) gave the Lodge a beautiful face lift by painting the entire exterior of the building, and we are now in the process of having our roof replaced. As we have spent a lot of our financial resources on these improvements, this year I will be seeking to find some ways that we can generate some additional income for our Lodge, but not at the expense of cutting our charitable contributions. For it is our charitable

work that really makes us known in our community, and it is through giving unto others that we let our light shine the brightest.

I will also be seeking this year to have Masonic Education be one of our primary areas of concentration, so that we may have many opportunities to learn and reflect upon the lessons that Masonry teaches us in our pursuit of becoming better men. As such, each Officer will be presenting Masonic education topics, and I invite all other Brothers who would like a chance to share a topic to come forward and do so. Additionally, we will be looking to continue our opportunities for increased fellowship and Brotherly Love by maintaining all of our traditional social events and adding some new ones. Among these, I am hoping that this summer will see the return of the Master's Ball, and I hope to have some special programs to accompany some of our monthly dinners. As anyone who came out to greet Edna Rudner's Christmas Bus can attest, our Chaplain, Scott Hofmeister, has a wonderful audio-visual system which has the ability to turn our back parking lot into a drive-in movie theater, so I foresee some really fun family adventures in our future!

Our installation of Officers for 2016 will take place on Saturday, January 09, at 4 pm with a dinner following the ceremony. This will be an open ceremony, so bring your family out and come support our new Officers as they assume their new duties and renew their commitments to serve our Fraternity. We will also be having a Fellowcraft Degree at our second Stated meeting on January 26th.

In closing, I hope everyone has had a safe and happy holiday season: a Merry Christmas, Happy Chanukah, and Happy New Year's, and I look forward to seeing all of you, and serving all of you in 2016!

Fraternally,

William Owen

Worshipful Master Elect, Jupiter Light Lodge No. 340

Greetings from the West!

It is truly an honor to be elected to serve the craft for another year, this time as your Senior Warden. We made a lot of progress last year, and I have high hopes that we will continue that streak of success into 2016. Many of you know my Masonic story but for those that do not, here's a quick recap. I was raised to the sublime degree of Master Mason in Nashville, TN. As a member of Cumberland Lodge #8, I jumped right in as an officer and ascended to the station of Junior Warden in 2010 before being faced with a move to Florida. So as you can imagine this is a milestone for me 5 years in the making.

After numerous discussions with the new line of officers thus far, it is evident to me that the theme of this year will be centered around taking better care of ourselves as a lodge, without having to give up or lessen our charitable contributions elsewhere. A difficult task to be sure, but I believe we have a strong core of officers and members who are equal to the task. Involvement of the newest master masons will be the key to our success. That, combined with the continued support of our members who regularly attend, and hopefully the re-appearance of some brothers who have been on hiatus, we will continue to be a strong, lively, and unified lodge. Please make an effort to make your presence felt this year, even if you show up infrequently.

In an effort to increase Masonic communication I plan on providing, in my monthly report, a Masonic factoid. Granted, I will be pulling much of this from the internet, so the truthfulness may be debatable, but at least it will provide some interesting fodder for discussion.

Here is January's edition:

In the type of Freemasonry practiced in the U.S. (Anglo-American) female members are not allowed, whereas in the type practiced in Europe (Continental), women are generally allowed to be initiated. (Chrissy Stockton, 25 Little Known Facts about Free Masons, 2013)

What do you think? Enjoy the year my brothers! Let's make it a great one!

Fraternally,

Jason Silvers, Senior Warden

Greetings from the South!

Greetings from the South, and Happy New Year! First I would like to thank my Brothers for their vote of confidence in electing me as your Junior Warden for 2016. I am truly honored! The material condition of the Lodge will be in good hands, and I'm excited to serve the Craft along with those elected and appointed for 2016.

To better assist myself, all future Junior Wardens, and Officers keep the material condition of the Lodge on track I have created an online folder to track corrective maintenance, contractors, improvements, dates, meals (dishes, recipes, etc.), supply inventories, inspections, etc. Hopefully this folder will allow us to track supply usage, keep us apprised of upcoming inspections or required corrective/preventive maintenance for planning purposes, and lists of contractors and points of contact used in the past to minimize uncertainty of who to call. Notes can be kept on these activities to minimize a single point of failure due to unexpected illness or cable tow impacts.

As some of you are aware I would like to start a Culinary Club at the Lodge. The idea is to build camaraderie, allow more participation in the Lodge for our Brethren, and to have fun...oh, and so our Brother Keith Campbell, our culinary go-to MacGyver, doesn't get burnt out. The Culinary Club will be open to anyone who would like to join who has any culinary skills they would like to share, and anyone who can burn a salad and would like to learn culinary skills. Anyone interested the first meeting will be held after the January 5th Officers' meeting at Duffy's (West). I hope to see you there.

The last point I would like to address is our Lodge Clean-ups. Please come on out to our Lodge Clean-ups for food and fellowship. Breakfast is served at 0830, clean-up to follow, many hands make light work. To increase efficiency and effectiveness of our Lodge cleanings I will have a cleaning bill that will list tasks to be accomplished and the order in which to tackle them.

I believe this will be a wonderful, productive, and most importantly a fun year for all. Again, Happy New Year, and let's make 2016 a year to remember together!

Fraternally and respectfully,

Shawn Ray Lopez

Junior Warden
