Proper Instruction from the East!

First, I would like to thank W. Jason Silvers for his leadership in 2017! Your support and insight will be greatly appreciated and sought after.

Next, I would like to thank the Brethren for placing me at the helm this year. I know that together we will build upon the strong foundation so firmly placed at our feet by the Officers, and Brothers, before us. We have a lot to be thankful for, and a lot of nobler deeds, higher thoughts, and greater achievements ahead of us. Teamwork and Brotherhood are the keys to our success. Let us never lose sight of that.

I would like to take this time to call upon our Brothers to fill some vital roles within the Lodge's administrative structure. The Lodge is in need of a Chairman and at least two other Brothers for the Petitions Committee. Please contact me ASAP if you would like to help. Most of you are aware of our Annual Golf Tournament that we have held for

various charities. Some of you are aware that this is an event that has numerous variables and moving parts from planning through execution. That being said, I think it's important to spread the load this year and share the knowledge, expertise, and experience. I already have two Brothers, but would like at least one to three more to make up a Chair Council for the Golf Tournament preparations.

As much as we do for those outside our organization, I would like for us to bring our focus back to ourselves, and what it means to be a Mason. I'm not saying we are not going to do great and good things for our community and those in need, but we need to be more mindful of who we are, what we are, and what we represent. We need to be the standard bearers of Freemasonry beyond the walls of our Lodge room, within our daily lives, when interacting with the profane. We should embody the teachings of the Fraternity even when no one is looking. It's not always easy, we are only human, but that is where we will need to rely upon our Brothers to gently pull us aside, or nudge us in the right direction. If a Brother comes to our aid in such a situation, we need not take offense, but thank him for his assistance in keeping our passions within due bounds.

Brothers, I look forward to serving you to the best of my ability, as do all the Officers. Take due notice thereof, and govern yourselves accordingly!

Fraternally and respectfully,

*Shawn Ray Lopez
Worshipful Master*

Payment of Wages from the West!

A simple one line definition would not satisfactorily describe what Freemasonry is. The square and compass of Freemasonry is a sign universally recognized throughout the world for centuries, as a symbol of truth, morality, and brotherly love. By the exercise of Brotherly Love, we are taught to regard the whole human race as one family, the high, the low, the rich, the poor, who, as created by one Almighty Parent, and inhabiting the same planet, should aid, support, and protect one another. On this principle, Masonry unites men from all walks of life of every country, sect, and opinion, and promotes true friendship among those who might otherwise have remained at a perpetual distance. Much of the appeal of the Craft is that the great truths revealed in Masonic ritual can take years to understand. Like the building of any great structure, the powerful metaphors and symbols of Masonry build character and sometimes greatness one stone at a time.

In our initiatory Rites, and throughout our advancement in Masonry,

the mode and manner for the practice of these principles are detailed in words and illustrated in symbols, so there can be no cause for error in understanding or failure in practice. This practice is not limited to the rich; in fact, it costs far less to be a Mason than to be a member of the local golf, or country club. Thus, Freemasonry does not have a restricted or closed membership, but is available to all men of good character should they choose to apply. However, as men and Masons we also understand that this task is not easy to accomplish. By having faith in ourselves, in our brothers, and in God, the attainment of these goals is the sure promise of better men and Masons and a better tomorrow. In this faith we live and labor on.

Thank you brothers for your faith and brotherly love in electing me as your Senior Warden for the year of 2018. I promise to do my best to honor our principles and our education in the tenets of Freemasonry.

Fraternally yours,

*Bro. Keith Campbell
Senior Warden*

Calling of the Craft to Labor and Refreshment from the South

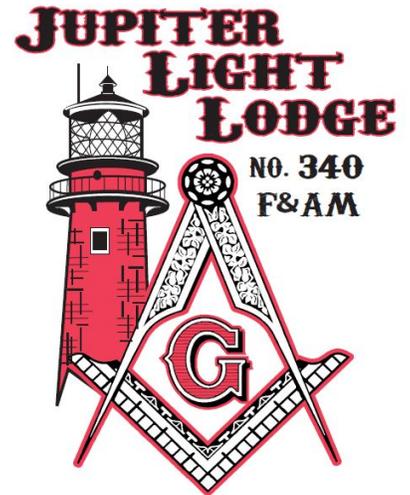

I would like to thank my brothers for their confidence in allowing me to serve the craft as Junior Warden, looking forward to a Great Year. The Officers of JLL are planning to address numerous needed maintenance and refurbishment projects this year and shall inform the craft accordingly as we move forward.

We are planning a Paint Party for the dining hall on Saturday, the 27th, of January, breakfast to be served at 8:30 a.m., with the fun to begin thereafter. Please come out for a few hours and assist your brothers in this endeavor.

And don't forget to show appreciation for our Past Masters on Tuesday, January 30, 2018, dinner starts at 6:30 p.m. Looking forward to seeing you all.

Best Regards,

*Brother Mark Murray
Junior Warden*
