MESSAGE FROM THE EAST

Brethren:

The AC is done, working and improving lives around the country! Well maybe not around the country but anyone who has been to lodge in the last couple of weeks can attest to the new cool, dry and comfortable accommodations. The kitchen AC has been described as a “waterfall of lovely coolness!” The workers who toil in the kitchen should all have smiles, at least for a little while. Put on an apron and see for yourself ;-) I need to especially thank Brs. Anderson and Kasper for all their help and hard work. We all owe them a debt of gratitude for getting the project done.

Since I last penned my report many events have shaped Jupiter Light. The GM visit to our District was one of the best attended of the year! A great meal for 300 and over 150 masons in the Lodge room was a sight to behold. Our Golf Tourney was a huge success with just about 100 golfers in attendance. The lodge meal in October was an unabashed hit as well. The kids loved it and Evan found his niche as you can see from his batman photo! Costume contests (Evan was edged out by Donna Pinelli, the fair maiden or wench, you decide and Jackie Bates took home the winning kids costume), bobbing for apples and a great meal of lizards tails and troll fingers compliments of Keith and Rhonda Campbell (they can cook anything!). Fun while raising funds for the AC; it's what we do.

We have one more lodge meal planned this year. On November 16 at 5:30 we will host a Thanksgiving banquet. I'm sure the JW has something fun planned; he's good like that. We are also calling a meeting to confer the MM degree on Saturday, November 23 @ 10 am for Brs. Caesar, Martinez, F. Lasagna and K. Lasagna. We will offer a light meal between the first and second sections. Of course we will need all the help we can get.

Lastly, I would regretfully inform you of the passing of Brs. Pedersen and Lahr. We will miss them both but cherish their memories

Fraternally,
Bill Hawkins, WM

MESSAGE FROM THE WEST

Greetings My Brothers,

Where does the time go? Seems only yesterday I agreed to step in line as Junior Warden. As most of you know I was still on active duty with the Coast Guard when than Senior Warden (PM Mike Loeffler) asked me to step in when Brother Richard's cable tow at work forced him to step out. When I agreed to take the position I was still on active duty with the Coast Guard and planned to retire in Jupiter Farms. As destiny would have it my cable tow (aka "The Domestic Commandant") changed her mind and decided to retire in Vero Beach. Given the economy, I was unable to find work so I started my own business. As most of you have noticed there have been "Guest" Senior Wardens sitting in the West this year. I am eternally grateful for to Worshipfuls Max Groceman, Travis Routt, Mike Leffoler and Billy Bates for sitting in the West for me when business prevented me from attending my duties.

One of the strong points of our lodge is that it has a much younger membership which adds youth and vigor to our group as well as the wisdom that comes with longevity (I'm talking about guys like Jack, Malcom, Ray and Pat who were an apprentices under King Solomon when he was a Fellow Craft). While having a youthful membership is a big plus that same sword cuts both ways; the cable tow can be much stronger for those who still work and have young children. While I don't consider myself as young I find myself with a considerable cable tow. Turns out life as a real "Sea Captain" brings adventures in faraway places, though I hope not as far as Ethiopia.

Where am I going with all this you ask? What's my point? My point is this, I missed approximately 25% of the meetings this year and I have no reason to believe next year will not be the same. Of the past six masters most never missed more than one or two, if any. If elected by the craft as Worshipful Master, which by the way I don't take for granted as a done deal, I'll need to have the lodges past masters step up for me and sit in the West and assist Bro Don as he assumes the East during my absence.

All of that being said I have heard from one brother that more than one member of the lodge questions whether a past Master with less commitments should be elected as Worshipful Master as opposed to electing me. If that is the will of the craft I understand and will not feel slighted. While one of my life's goals has been to be the Master of a lodge, I don't want it to be to the detriment of Jupiter Light Lodge. If there is a past Master of our lodge that feels he has the time and desire to serve the craft a second time please come forward and make yourself known to me. At the end of the day my goal is to keep "Peace & Harmony" in our lodge. Make no mistake in what I'm saying, I want to be Master of JLL and will do my very best to serve the craft as well as past masters. As always, the decision lies in the hands of the craft.

Yours in service,
Bro Jim Mullinax, Senior Warden

MESSAGE FROM THE SOUTH

Brethren,

Greetings from the South!

There was much fun and food to be had at last month's Jupiter Light Lodge Halloween party. We had a delicious variety of chili, thanks to the hard work of bro. Keith Campbell and his family. There was a particularly strong showing of children who enjoyed games, a haunted house, bobbing for apples and the usual frivolity. Thank you to all of the adults and children who participated in our costume contest to help make it a truly a "spooktacular" event!

For November, we will be having our annual Thanksgiving dinner scheduled for Saturday, 11/16. This is a jointly sponsored event for our lodge and the Star of Jupiter Chapter, OES. You won't want to miss out on the food, fun and fellowship. See a lodge officer for tickets. On Saturday 11/23, there will be a called communication for the purposes of conferring the Master Mason degree. Brothers, as always, your attendance is appreciated. See the calendar for details. Lodge cleanup for November will be on the 30th. Breakfast is served at 7:30am, with chores to follow. Cleanups are a great way to become acquainted with your brothers and become involved, so come on out.

As always, thank you to those who help before and after our meetings, cleanups and functions. Many hands make light work!

Fraternally,
Bro. Don Hires, Junior Warden

Charity Committee

Brethren,

Our charity for November will be the Advocates for the Rights of the Challenged (A.R.C) located in Martin County. ARC is a 501 (c)(3) non-for-profit organization dedicated to empowering children and adults with developmental disabilities to achieve their fullest potential through residential, vocational, educational, behavioral and other healthcare services. ARC's stated goal is to provide supports, assistance and training that will enhance the abilities for children and adults with disabilities to thrive each day. But, even more importantly, the ARC prepares individuals with disabilities to overcome any obstacles they may face throughout their life that may challenge them mentally, physically, socially and/or culturally from achieving their fullest potential.

W.M. Hawkins has been involved with ARC for many years, serving on its Board of Directors for six years and as Secretary for three of them. He knows firsthand what an impact this good organization continues to make on the lives of local families. If you would like to learn more about this worthwhile cause please visit their website at: www.arcmc.org.
