Proper Instruction from the East!

My Brothers,

Wow! We are halfway through the year, and what an amazing year it has been! I can't thank you enough for your hard work and support. That being said, it's no time to start sitting around on our laurels, but to continue to strive for excellence in everything we set out to do.

During our May 'Open Meeting' I presented information about our Charity of the Month. Through your generosity we were able to raise a nice donation for the Scripps Research Institute. Our Charity of the Month for June is the "Get Wet Groundwater Education Program." So bring your friends and family to our 'Open Meeting' so we can spread the word about our Charities of the Month. The following link will tell you more about our June charity:

Efforts to improve and update the Lodge has been phenomenal, to say the least! We had a new awning installed, a new garage door installed, new carpet and flooring laid, and new paint throughout. That being said, we are still a long way from being finished, doubtful we will ever be, and that is a good thing. Your Officers are putting plans into place to be proactive with Lodge maintenance/upkeep/updating

so we can be less reactive in how we operate.

We have several items to be addressed, and would like to ask for sponsorships of the following:

- ★ Replacement of grates and chicken cans
- ★ Mural restoration
- ★ Lodge Room seating

If you would like to make a donation regarding these, or any other Lodge project, please annotate which project your donation is to be used towards.

On Saturday, July 7th, from 11 a.m. to 4 p.m., we will be hosting a "Battle of the BBQ" between two local Publix stores, benefiting the Muscular Dystrophy Association of South Florida. Please come out and support this worthy cause.

My Brothers, it pleases me to see our Brotherhood, and friendships grow; and how eager everyone is to help one another do well and be better. That being said, and this is never an easy decision, but after long deliberation, I take great pleasure in announcing Brother David Goggins as our Mason of the Month for May 2018! Be sure to congratulate him.

Brothers, it's "Full speed ahead", as there is still much to accomplish. Take due notice thereof, and govern yourselves accordingly!

Fraternally and respectfully,

Shawn Ray Lopez
Worshipful Master

Payment of Wages from the West!

Greetings from the West, Brothers. Having just returned from Florida's Grand Lodge in Orlando

with a bad case of the flu, I decided to look up the history of "Grand Lodge" between the semi-comas induced from my prescription cough syrup. I thought you might be interested in a short version of the story.

Before 1717, four London Lodges formed a so-called Grand Lodge to supervise, coordinate, and charter new lodges. Soon after, an English merchant-tailor and active Mason named Henry Price immigrated to Boston. Finding other Masons there, he decided to return to England to secure an official "warrant" for a Grand Lodge in North America. He sailed in the winter of 1732, and returned the next summer with the necessary documents. On July 30th, he gathered together the required number of Masons and organized what would later be called "The Mother Lodge of America."

Thus, the Mother Lodge of America was formed on July 30, 1733, when 18 men gathered at the Bunch of Grapes Tavern on King Street in Boston and organized the first Masonic Lodge in North America. The fraternal society was based loosely on medieval stonemason guilds. Members pledged to be true to each other, to God, and to their king.

Freemasonry continued to grow after independence; many leaders of the new federal government were members of the society. Following earlier stonemason customs of boarding in lodges located near their place of work, Freemasons organized themselves into membership "lodges" where they met periodically for fraternal and social activities. When Mason George Washington helped lay the cornerstone of the U.S. Capitol in 1793, he did so in a Masonic ceremony. By 1825, when the cornerstone of the Bunker Hill Monument was laid in a Masonic ceremony, lodges had spread all across the Commonwealth with Grand Lodge of Florida being formed in 1830.

Therefore, this Grand Lodge would have been the 285th anniversary of the first Grand Lodge in America and the 188th anniversary of the Grand Lodge of Florida. Thank you, Brothers, for giving me the opportunity to represent our Lodge at this historic event.
